## QUESTION OF THE WEEK

Like the disciples, we can be a bit apprehensive about not seeing Jesus. After all, it would be easier to follow someone if we could actually see where he is going! Instead, the words of Jesus challenge us to have faith in him and trust where the journey leads. The example of our lives should always point us toward the rooms Jesus prepares for each of us.

Adults: In a challenge you face right now, what will it mean to live the way of Jesus Christ?

Children: What are some ways you can imitate Jesus when you are on the playground or on a sports team?

## DO YOU KNOW?

The month of May began to be celebrated in honor of Mary in the sixteenth century with festivities including floral tributes, processions and crowning of the statue. Soon it spread all over the world. In the United States May procession and May crowning became current prior to the Second Vatican Council. The practice continues in parishes and schools where a statue of Mary is honored with a wreath of fresh blossoms to indicate the virtues of Mary. A procession around the church with the decorated statue of the Blessed Mother is common. Mary is celebrated as a queen because she was the perfect follower of Jesus Christ and the absolute 'crown' of creation.
