## QUESTION OF THE WEEK

Jesus explains in this week's Gospel that it is the Holy Spirit that is with us and helps us know we are God's. It is this Spirit that guides us to live the way God wants us to. The Spirit comes to us in a special way at our baptism and guides us, even to our surprise sometimes, and helps us follow the commandments of God.

Adult: What difficulties have you overcome because of your belief in the power of the Holy Spirit?

Children: When are some times you need the help of the Holy Spirit?

## DO YOU KNOW?

Forty days after Easter (the sixth Thursday), Jesus ascends into heaven to sit at the right hand of the Father. His work here has finished, and He returns to His former place of glory, having won victory over death. The Church is now His body on earth and the ascension forms the point of continuity between "all that He began to do and to teach (Acts 1:1), and what the apostles and the church continues to do and to teach after His departure. In some dioceses, the celebration of the Ascension is transferred to the Sunday after.
