### Saint Theresa Cemetery

Saint Theresa Cemetery is the main Catholic cemetery maintained by Our Lady of the Blessed Sacrament Catholic Church. It is located on King William Ave next to the Town of West Point's cemetery—Sunny Slope.

This cemetery was established in 1921 to serve the burial needs of Catholic parishioners of Our Lady of the Blessed Sacrament, Saint Theresa and Saint John of Kanti Churches.

One of the prominent features located in the center of Saint Theresa's Cemetery is a large stone crucifix which marks the final resting place of Reverend Ceslaus J. Jakubowski, (Father Jack), first pastor of Our Lady of the Blessed Sacrament Parish.

Also laid to rest in this circle is another beloved priest who served the parish over the years. Reverend John Brieffies (Father John) of the Missionaries of the Holy Family

# St John of Kanti Cemetery

Saint John of Kanti Cemetery is a much smaller Catholic cemetery located on the grounds of an early mission church of Our Lady of the Blessed Sacrament Catholic Church. This mission church was established in 1918 on land donated by Tidewater Lime and Fertilizer Company. It is located in the 1800 block of Polish Town Rd in New Kent County.

In May 1924, with the death of a parishioner, Alek Sulewski, Father Ceslaus Jakubowski (the pastor lovingly referred to as Father Jack) designated the area just west of the church as the congregation's cemetery.

Alek's grave would be marked with a wooden crucifix. As the oldest members of the Polish community, his parents—Josef and Kementyna Sulewski's graves would also be outlined with a stone border.

On July 11, 1935, a lightening strike destroyed the mission church. Father Jack decided not to rebuild the church and the parishioners then began to attend services at Our Lady of the Blessed Sacrament Catholic Church in West Point located 5 miles away.
