

January 7th, 2021

Dear Our Lady of the Blessed Sacrament Parishioners:

I was notified today that two individuals who most recently visited the parish on Saturday, January 2, 2021 and attended the 5:30 pm Mass have tested positive for COVID-19. The individuals are receiving the appropriate medical care.

Following government and diocesan protocols, I immediately notified the local health department and our diocesan officials to make them aware of the situation.

Per the Centers for Disease Control and Prevention and diocesan guidelines, the spaces occupied by this individual will close for an airing out and will be thoroughly cleaned and disinfected.

Out of care and concern for every staff member and parishioner, I urge you to contact your primary health care provider immediately if you feel ill.

Please join me in praying for these individuals and all who are affected by COVID-19 at this time.

In Christ,

Fr Oscar Paraiso
